

## **Military Sales Tax Paid Scheme Conditions of Sale and Supply**

This unique scheme is offered by Jaguar as a concession to current, serving members of HM Forces stationed within the UK.

This concession is granted on the basis that the member of HM Forces accept the following conditions of sale and supply. These are in addition to those stated on the Military Sales Order Form -

- A member of HM Forces may order and take delivery of one Jaguar or Land Rover vehicle in a 12 month period.
- The above 12 month period commences from the delivery of supply of any previous vehicle under this scheme.
- Jaguar Military Sales offer this concession on the basis that it is for use by the member of HM Forces and their immediate family.
- Vehicles are supplied on the basis that the member of HM Forces retains the vehicle for a minimum of 12 months.
- A member of HM Forces stationed overseas with tax free entitlement may not place an order for a tax paid vehicle until such time as they are permanently stationed within the UK.
- Vehicles may only be ordered, invoiced and registered by the member of HM Forces.
- An original Motor Insurance Certificate is required to register the new vehicle.
  - Must be in the name of the member of HM Forces
  - Must be valid for 12 months from date of registration. If you are adding vehicle to existing policy then proof of continuation will be required.
  - Temporary Insurance Certificates and Temporary Cover Notes will not be accepted.
- Should a member of HM Forces sell their vehicle within 12 months of taking delivery then the concession will be temporarily withdrawn. They will be denied the opportunity to order or take delivery of another Land Rover or Jaguar vehicle under this scheme for a minimum of 24 months from the original vehicle was supplied.
- Jaguar Military Sales appreciate that circumstances may change. Therefore, should you find yourself in a situation that requires you to sell your vehicle within the 12 month period, please consult us before undertaking any such action.
